

## EL SEGUNDO AUTHORIZATION FOR USE AND COPYING ARCHITECTURAL DRAWINGS BY THE PLANNING DIVISION

### General Information

The City of El Segundo strives for transparency and ease of public access to information related to development applications. As a result, architectural drawings submitted in support of an application may be included in the agenda packets for public hearings and posted on the internet. In compliance with Government Code Section 65103.5 and SB 1214 (Jones), Statutes 2022, a design professional or owner of copyrighted architectural drawings may elect to withhold authorization of the reproduction of copyright-protected architectural drawings when a separate site plan<sup>1</sup> or massing diagram<sup>2</sup> is prepared and submitted for reproduction within an agenda packet and for posting on the internet for public view and reproduction.
