CIP Updates

Recreation Park Renovation Project

90% of the engineering plans and construction specifications for the Teen Center and Teen Plaza were approved by Council on October 21st, 2025. City Council approved Public Works Director, Elias Sassoon, to approve the final design and specifications upon receipt, and to advertise the project for construction bidding.

A Geotechnical Investigation and a Percolation Report for the proposed ballfield renovations is currently being reviewed. City staff and MIG are planning to meet with Los Angeles County to review 50% design development plans in January 2026.

Council has approved the engineering plans and specifications for the court walls, posts, and surfaces. The project will address 97+ locations throughout the entire Recreation Park where cement and posts are experiencing corrosion. Public Works has awarded the contract and the work is scheduled to be performed Spring 2026.

The Public Works department has awarded the bid on the replacement of George E. Gordon Clubhouse's HVAC system.

Hilltop Park Project

The contract for the demolition of the reservoir was awarded at the October 7th Council meeting. The scope of work for this project includes demolishing the reservoir, capping existing utilities, and leveling the remaining soil to join with the adjacent Hilltop Park. Construction began January 26, 2026, and is scheduled to be substantially completed by May 2026. Preparation of plans and specifications for installing a green turf and irrigation system is underway, which will be implemented upon the completion of the project.
